Good day Janine

I trust you're well, this serves to notify you that we are unable to give a direct response now on access to financial records for the past 5 years as the organization's management has to table this request to the leadership and get approval from the leadership structure.

The meeting between management and leadership structure will be held after the 30th August 2016, we will ensure to get back to you once they have met.

Humble regards
Roslynn Meth
